UNIVERSITY

Université de Nice-Sophia Antipolis	2004	Master in Computer science with heavy mathematical background « DEA Image-Vision »
ENS Cachan *	2002	Visitor student, excellence program, Fundamental Maths and Computer Science

* In France, the Ecole Normale Supérieure (ENS) is one of the top three engineering schools. I was accepted as visiting student in 2001. In 2003, when I tried in fourth year the full integration, I was ranked 8th, out of 50 candidates. Only the seven first were admitted.
